

RRB-NTPC(Graduate) – CEN 03/2015
User Manual to handle Objection tracker

1. Please login using your registration number provided to you at the time of registration for this examination. In case you have forgotten your registration number, click on the link 'Forgot Registration No ?' and enter the details asked. You will receive your registration number on your mobile number as filled by you in your registration form
2. Enter your Date of birth as password as provided by you in the application form during registration stage
3. You will see 2 tabs – Candidate Question Booklet and Answer and Candidate Objection
Go to the 1st tab and download your question paper and go through the questions and correct answers tick marked with a green tick.

Go to the 2nd tab Candidate objection tab to raise an objection

- Click on the button 'Raise New Objection' to raise a new objection
- Select the Question id from the drop down list against which you want to raise an objection
- Select the type of objection from the drop down list
- You can give your explanation reference in the text box given below
- If you want to attach a reference document / supporting document you may upload the same by clicking on the words 'Click here' in the sentence 'Click here to upload the documents that refer and justify your objection.'

Note: Please upload the documents in pdf/jpg/jpeg format only. Max size of the file should not be more than 400 KB

Click on the 'Submit' button to save your objection and exit the link by clicking on 'close' link on top right of the screen
